BOOK SYNOPSIS

International justice has become a crucial part of the ongoing political debates about the future of shattered societies like Bosnia, Kosovo, Rwanda, Cambodia, and Chile. Why do our governments sometimes display such striking idealism in the face of war crimes and atrocities abroad, and at other times cynically abandon the pursuit of international justice altogether? Why today does justice seem so slow to come for war crimes victims in the Balkans? In this book, Gary Bass offers an unprecedented look at the politics behind international war crimes tribunals, combining analysis with investigative reporting and a broad historical perspective. The Nuremberg trials powerfully demonstrated how effective war crimes tribunals can be. But there have been many other important tribunals that have not been as successful, and which have been largely left out of today's debates about international justice. This timely book brings them in, using primary documents to examine the aftermath of the Napoleonic Wars, World War I, the Armenian genocide, World War II, and the recent wars in the former Yugoslavia. Bass explains that bringing war criminals to justice can be a military ordeal, a source of endless legal frustration, as well as a diplomatic nightmare. The book takes readers behind the scenes to see vividly how leaders like David Lloyd George, Winston Churchill, Franklin Roosevelt, and Bill Clinton have wrestled with these agonizing moral dilemmas. The book asks how law and international politics interact, and how power can be made to serve the cause of justice. Bass brings new archival research to bear on such events as the prosecution of the Armenian genocide, presenting surprising episodes that add to the historical record. His sections on the former Yugoslavia tell—with important new discoveries—the secret story of the politicking behind the prosecution of war crimes in Bosnia, drawing on interviews with senior White House officials, key diplomats, and chief prosecutors at the war crimes tribunal for the former Yugoslavia. Bass concludes that despite the obstacles, legalistic justice for war criminals is nonetheless worth pursuing. His arguments will interest anyone concerned about human rights and the pursuit of idealism in international politics.

STAY THE HAND OF VENGEANCE THE POLITICS OF WAR CRIMES

TRIBUNALS - Are you looking for Ebook Stay The Hand Of Vengeance The Politics Of War Crimes Tribunals? You will be glad to know that right now Stay The Hand Of Vengeance The Politics Of War Crimes Tribunals is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Stay The Hand Of Vengeance The Politics Of War Crimes Tribunals may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Stay The Hand Of Vengeance The Politics Of War Crimes Tribunals and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Stay The Hand Of Vengeance The Politics Of War Crimes Tribunals. To get started finding Stay The Hand Of Vengeance The Politics Of War Crimes Tribunals, you are right to find our website which has a comprehensive collection of manuals listed.
