BOOK SYNOPSIS

From the Booker Prize-winning author of *Oryx and Crake*, the first book in the MaddAddam Trilogy, and *The Handmaid's Tale*. Internationally acclaimed as ONE OF THE BEST BOOKS OF THE YEAR by, amongst others, the *Globe and Mail*, the *New York Times*, the *New Yorker*, and the *Village Voice*. In a world driven by shadowy, corrupt corporations and the uncontrolled development of new, gene-spliced life forms, a man-made pandemic occurs, obliterating human life. Two people find they have unexpectedly survived: Ren, a young dancer locked inside the high-end sex club Scales and Tails (the cleanest dirty girls in town), and Toby, solitary and determined, who has barricaded herself inside a luxurious spa, watching and waiting. The women have to decide on their next move--they can't stay hidden forever. But is anyone else out there? From the Trade Paperback edition.

THE YEAR OF THE FLOOD - Are you looking for Ebook The Year Of The Flood? You will be glad to know that right now The Year Of The Flood is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
